FEATURES

- *2-stroke 96cc single engine features the proven rotary valve intake system for plenty of dependable power and strong torque.*
- *Backbone type frame adopts a one-piece design for higher strength and added rigidity.*
- *Front and rear drum brakes are water-and-dust resistant for reliable operation in all weather conditions.*
- *2.50-18 inch tyres give positive traction and better control.*
- *Large, dual seat is quilted for nicer looking and more riding comfort.*
- *Chromed fenders add another quality to this model.*
- *4-speed transmission with carefully selected gear ratios is rider-designed and rider-developed to perform at the peak of efficiency at all times.*
- *Autolube oil injection system eliminates the need of mixing gasoline and oil.*
