The RD250 matches the reliability of a thoroughly proven design with distinctive park (inspired) of competition-bred machines. For like the RD350, this Yamaha is descended directly from the most successful racing machines of this decade.

Daytona for eight consecutive years. The RD250's two-stroke engine will run at 7,000 rpm hour after hour without servicing. And the addition of Torque Induction™ Yamaha's patented reed valve intake system makes the RD250's responsiveness at low or extreme speeds equally impressive.

cruise comfortably or accelerate quickly in any speed. And even in panic to go, the justly famous Yamaha brakes will haul you down fast and sure. It's every significant low-performance, reliability, and handling - the RD250 is the first in a series of...

# Features

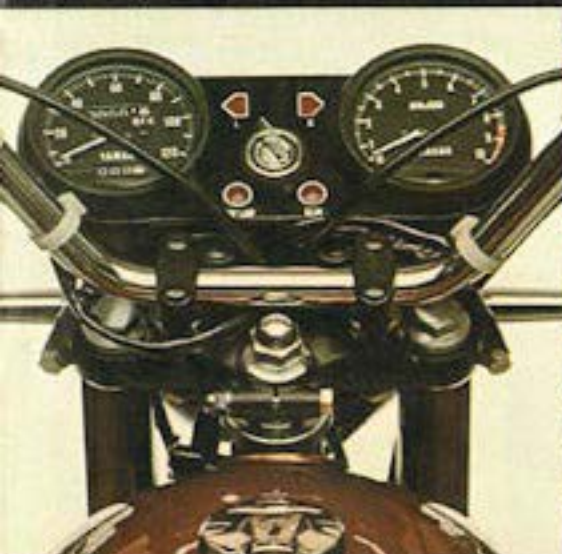

Autolube<sup>®</sup> automatically injects oil into the fuel mixture, eliminating the need for premixing. And, since it constantly adjusts the flow of oil to engine load and speed, it helps extend engine life.

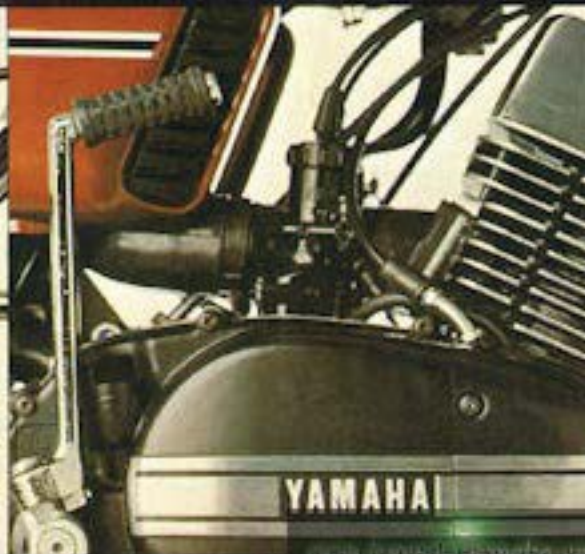

Adjustable rear shocks can be set at three different positions, according to the load you're carrying or the condition of the road. Yamaha's brakes have traditionally set the industry standard for sure stopping.

Six-speed transmission keeps the engine running at its most efficient speed. The short-throw shift lever lets you change gears quickly, without lifting your foot from the peg. Yamaha gearboxes are notoriously rugged.

Complete instrumentation includes fully illuminated

Torque Induction<sup>®</sup>, Yamaha's unique intake system.

Double leading shoe front brake has tremendous

PERFORMANCE	RD 250A
Max. speed	93 mph plus
Min. turning radius	90.6 in.
Min. braking distance	48 ft. @ 31 mph

#### ENGINE

Type	2-stroke, Torque Induction, Parallel-Twin
Displacement	247 cc (15.07 cu. in.)
Bore & Stroke	2.146 x 2.116 in.
Compression ratio	6.7:1
Max. torque	21.1 lb.-ft. @ 7,000 rpm
Lubrication system	Airfilter
Starting system	Primary kick starter
Transmission	6-speed gearbox

#### DIMENSIONS

Overall length	80.1 in.
Overall width	72.9 in.
Overall height	43.7 in.
Wheelbase	52.0 in.
Min. ground clearance	3.9 in.

#### FUEL TANK

Capacity	3.2 U.S. gal.
----------	---------------

#### OIL TANK

Capacity	2.1 U.S. qt.
----------	--------------

#### TIRES

Front	100/18-4 PR
Rear	125/18-4 PR

Specifications subject to change without notice.

**Someday,  
you'll own a Yamaha.**
