The year of the **YAMAHA**

Yamaha Riverside 60 YJ-2

A lively one with all the features you'd expect on larger bikes... telescopic front forks... center tank... rotary valve... sporty upswept pipe and no messy oil mixing. Big bike looks... almost 200 miles on a gallon of gas. 50-55 mph. A lotta bike for little money.

Yamaha Trailmaster 80 YG-1TK

A favorite among sportsmen. At home where the road leaves off and the trails begin. Trail-ready with knobby tires, trail sprocket, engine guard plate and spark arrester. Reliable 2-stroke, rotary valve 80 engine, with oil injection. One ride and you'll discover a special kind of Swinging World.

Yamahas are equipped with U.S. Department of Forestry-approved Spark Arresters.

Yamaha Twin Jet 100 YL-1—America's PREMIER sportcycle. The all new HOT one! 2 cylinders, 2 carburetors, 2 exhaust pipes... everything double for more performance than any other small displacement motorcyle! Streamlined styling, oil injection, smooth 2-stroke power, up to 150 m.p.g. Waterproof and dustproof brakes. More of everything at the right price.

Discover the SWINGING WORLD of YAMAHA

It's a two-wheeled world of fun and excitement. You'll find it anywhere you and your Yamaha happen to be. Each Yamaha is a ticket to a personal swinging world. ♦ Yamaha sportcycles have gained world-wide popularity. What are the reasons? It's the quality and safety of each Yamaha. It's Yamaha's smooth 2-stroke design that delivers a big power stroke each time around. It's the convenience of Yamaha's proven oil injection system that eliminates messy gas-oil mixing. It's the smooth, fast, vibration-free performance of a Yamaha. It's the styling that's sleek and fast even when standing still. It's the smoothest shifting gearbox in the industry. It's the big, powerful brakes that are waterproof and dustproof. ♦ You see so many people on Yamahas because all of these things are put together in the world's top selling line of 2-stroke motorcycles. Get one! Discover your swinging world.

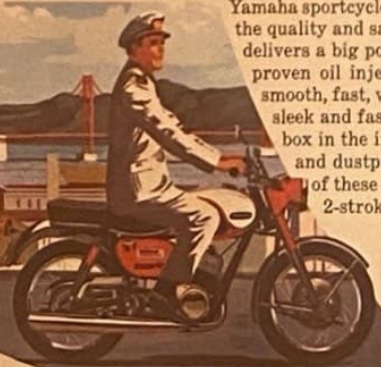

Now it's official! Yamaha with proven oil injection is the top selling 2-stroke in the U.S.

Yamaha Big Bear Scrambler 250 YDS-3C
When street riding just isn't enough for you... be on a Big Bear Scrambler. It's itching to climb hills and roar over fields, with almost unbelievable acceleration. Sports styling, twin upswept pipes, oil-injected, superb handling, twin cylinder power, easy shifting 5-speed box. Tops for scrambling... comfortable on the street.

Yamaha Rotary Jet 80 YG-1K
Experts consider the Yamaha 80 to be a true "classic." Outperforms any in its class. And takes on the big boys too! Time-tested rotary valve 2-stroke engine... easy shifting 4-speed gearbox. Reliable injection system means no messy oil mixing. Good looks... reasonable price.

Yamaha Catalina 250 YDS-3 This is the Yamaha that made 250cc's mean "big bike." This one is a proven performer. A consistent winner... tops in competition, reliability, and truly handsome to boot. Powerful oil injected twin, 5-speed box, and Daytona-type double brakes. Don't try it unless you're ready to GO!

Yamaha Newport 50 U-5
A civilized lightweight, ideal for shopping, school, picnics or just about anywhere. Step-thru frame, automatic clutch, rotary valve, 3-speed box and optional electric starter. Ride up to 200 miles on a gallon of gas, and no messy pre-mixing. Newport 50... the lowest priced Yamaha.

Yamaha Santa Barbara 125 YA-6

Villager's delight, commuter's choice, student's special, teenager's declaration of independence. The styling looks fast — the performance backs it up. Electric starter! Rotary valve. Proven oil injection system. Ease of handling . . . waterproof and dustproof brakes for greater safety. Up to 150 miles per gallon. A perfect all-round motorcycle.

Yamaha Cross Country Sport 305 YM-1

305 cc's of oil injected, twin cylinder GO! Offers what you're after . . . big performance, big action, big style. Twin carbs . . . twin pipes . . . easy shifting 5-speed box. Twice the smoothness of any 4-stroke twin. Don't be fooled by the low price . . . feature for feature no other bike even comes close to the Cross Country Sport.

MAKE 1966 YOUR YEAR TO YAMAHA

Which Yamaha is for you? Take your pick. Your Yamaha dealer has a wide selection for you to choose from. They're all hot! They all swing. They all carry the thoroughbred engineering design that has kept Yamaha the 250cc World Grand Prix Champion for two years.
