FEATURES

- Dependable 2-stroke 49cc single engine features Yamaha's rotary valve intake system for more power and performance.
- Rigid, strong frame makes control and riding easier, even with heavy loads or a passenger being carried in the rear.
- Front and rear drum brakes are sealed against water and dirt to provide safe, sure stops in all riding conditions.
- Autolube oil injection system eliminates the need of mixing gasoline and oil.
- Front and rear suspension systems have been designed with more comfort and sure control in mind.
- Headlight has been specially designed for added safety both day and night.
- Fuel tank holds 8 litres of gasoline.
