A. TWO-PIECE, ALL-WEATHER RIDING SUIT: Designed for the active motorcyclist who wants only the best protection from all the elements, this two-piece Yamaha suit fills the bill to perfection. This suit abounds with Yamaha quality and such innovations as a ventilation flap in back, a two-way talon zipper that opens from both top and bottom, as well as a Velcro secured, knit-lined mandarin collar. Plenty of storage space is provided by the six extra large bellows pockets which are fully lined and weather-proofed. The belt, cuffs, and wrists are fully adjustable with a heavy-duty pile inner lining that can be zipped out in seconds for warm weather riding. Of course, all seams are double stitched and reinforced in the critical areas. To insure a custom fit, the jacket and pants may be ordered in different sizes or separately if desired. Available in navy blue.

Part No.	Description	Suggested Retail Price
ACC-11100-95-01	Jacket, Small	\$74.95
ACC-11100-95-02	Jacket, Medium	\$74.95

ACC-11100-96-04	Pants, X-Large	\$54.95

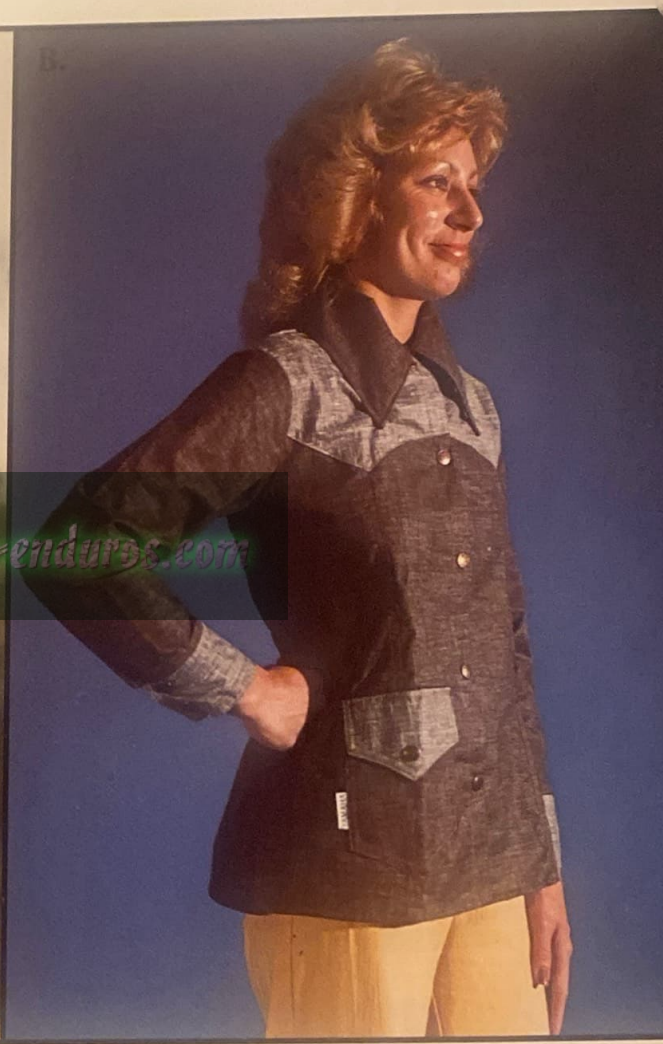

A. MEN'S WIND SHIRT: One of the most popular new items on the market, this Yamaha Wind Shirt is the perfect lightweight jacket for warm or foul weather riding. Manufactured of top quality denim, the Yamaha Wind Shirt is great looking as well as highly functional. The inner weather-

proof coating is enhanced by other riding features such as large double snap pockets and cuffs that keep out the unwanted elements. In addition, the collar is tacked down to keep it from flapping in the wind. Perfect for the street or off-road rider.

A. YAMAHA SUPER COMPETITION GOGGLES:
Feature a unique flow-through ventilation that prevents inside lens fogging and race proven-design for wide peripheral vision.

Part No.	Description	Suggested Retail Price
ACC-11001-29-00	Super Competition Goggle	\$10.95
ACC-11001-29-01	Replacement Lens, Clear	\$1.50
ACC-11001-29-02	Replacement Lens, Smoke	\$1.50
ACC-11001-29-03	Replacement Lens, Amber	\$3.95
ACC-11001-29-04	Replacement Lens, Polarized	

B. YAMAHA COMPETITION SHIELDS: Our standard style competition shield completely covers the rider's face for maximum protection. Competition Shields can be worn comfortably over most eyeglasses while the optical perfect plastic lens provides for non-distorted vision. Our competition shield features five double snaps to accommodate either a flat or bubble visor if desired. Available in a choice of 5 popular color tones.

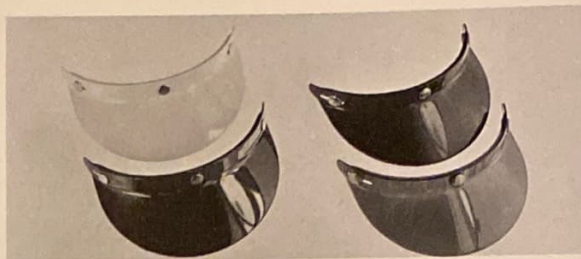

Part No.	Description	Suggested Retail Price
ACC-11000-09-01	Competition Shield — Clear	\$1.95
ACC-11000-09-02	Competition Shield — Light Blue	\$1.95
ACC-11000-09-03	Competition Shield — Light Amber	\$1.95
ACC-11000-09-04	Competition Shield — Light Yellow	\$1.95
ACC-11000-09-05	Competition Shield — Smoke	\$1.95

C. YAMAHA BUBBLE VISOR: Our Bubble Visor easily snaps on any style helmet while providing streamlined eye protection against the blinding rays of the sun. Available in solid black, white or see-through smoke colors.

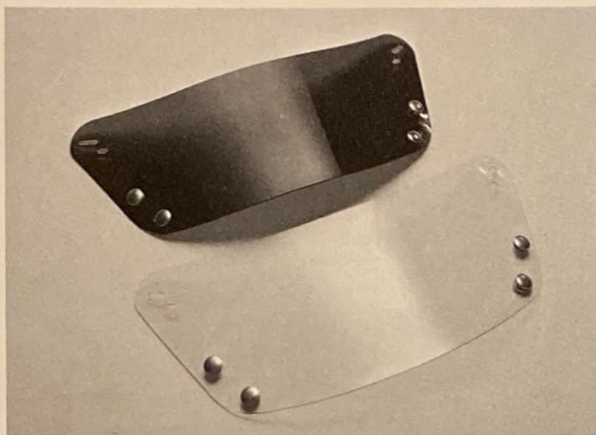

Part No.	Description	Suggested Retail Price
ACC-11000-11-01	Bubble Visor Black	\$1.95
ACC-11000-11-02	Bubble Visor White	\$1.95
ACC-11000-11-03	Bubble Visor Smoke	\$1.95

A. YAMAHA FLAT VISOR: Easily attachable to most any helmet, our flat visor offers protection from sun and glare. Available in solid black, white and see-through smoke colors.

Part No.	Description	Suggested Retail Price
ACC-11000-10-01	Flat Visor Black	\$1.95
ACC-11000-10-02	Flat Visor White	\$1.95
ACC-11000-10-03	Flat Visor Smoke	\$1.95

B. YAMAHA FULL COVERAGE REPLACEMENT SHIELDS: Dual front snaps allow for optional visor installation while special side snaps are also provided on our shields to allow for "tear away" lenses as well. Specially designed for genuine Yamaha Full Coverage helmets, our shields are available in the two color tones of Clear and Smoke, and packaged in individual plastic bags.

Part No.	Description	Suggested Retail Price
ACC-11001-01-00	Yamaha Full Coverage Shield — Clear	\$1.95
ACC-11001-01-01	Yamaha Full Coverage Shield — Smoke	\$1.95

C. YAMAHA DUCKBILL VISORS: One of the many types in the complete line of Yamaha visors, the Duckbills give style, protection, and comfort to the dirt cycle rider. Easily attached to any helmet, snaps are provided with adjustable sliding positions. Our high impact, plastic duckbills are shatterproof and available in two colors, white or black.

Part No.	Description	Suggested Retail Price
ACC-11001-03-00	White Duckbill Visor	\$1.50
ACC-11001-04-00	Black Duckbill Visor	\$1.50

D. YAMAHA BUBBLE SHIELDS: VESC-8 safety approved, the Yamaha Bubble Shield is made of 100% polycarbonate material to fit all standard motorcycle helmets. Each Yamaha Bubble Shield has a built in opaque painted sun visor at the top and is available in a choice of 5 popular colors.

Part No.	Description	Suggested Retail Price
ACC-11001-23-00	Bubble Shield — Clear	\$3.95
ACC-11001-24-00	Bubble Shield — Smoke	\$3.95
ACC-11001-25-00	Bubble Shield — Amber	\$3.95

ACC-11001-27-00	Bubble Shield — Blue	\$3.95

SHOWROOM OF THE FUTURE

A. "YAMAHA SHOWROOM OF THE FUTURE": You can easily build a new Yamaha accessory sales department or merely remodel your old one by using our pre-fabricated, completely furnished natural wood display components. All you ever need in the way of wall panels, shingled roofs, nails, etc., come pre-assembled, and ready to install. Display all your genuine Yamaha accessories and specialties in the natural yet inviting atmosphere of rich wood grains and rustic cedar shingles accented by our Yamaha yellow formica counter tops and trim.

"SHOWROOM OF THE FUTURE COMPONENTS"

PECKY CEDAR WALL PANELS: Three $\frac{3}{4}$ " pecky resistance and to enhance the depth and beauty of the wood grain. Sold in sections of (2) $2\frac{1}{2}$ ' panels per pack, covering an area 8' high by 5' wide.

Part No.	Description
ADM-11190-00-16	Pecky Cedar Wall Panels (8'x 5')

RUSTY SHINGLE FACING: The rustic 10' long over the pecky cedar panel if lights are not desired. The rustic shingles give sharp contrast to the face of the light frame if used, or attach directly the smooth wood grain of the wall panels.

Part No.	Description
ADM-11190-00-17	Rusty Shingle Facing

PECKY CEDAR FLOURESCENT LIGHT FRAME: wall above the pecky wall panels and will accom-
This 10' long pre-finished light frame is made of modate an 8' flourescent fixture. (Flourescent
pine and pecky cedar with accompanying opaque light fixture, tubes and cedar shingle facing not
plastic light lenses. It is designed to attach to the included.)

Part No.	Description
ADM-11190-00-18	Pecky Cedar Flourescent Light Frame

Here are just a few of the many possible showroom layout variations!

You may use the components exactly as they come, or with a little imagination you can cut and trim our components to meet your special requirements, such as around a parts counter or a doorway. It's simple, our *complete* illustrated directions will show you how to install each component.

LAYOUT A

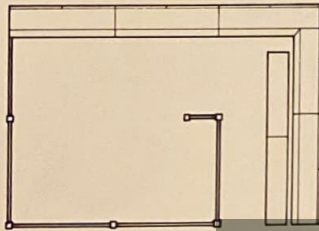

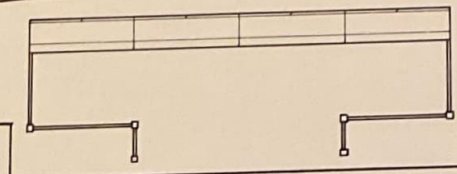

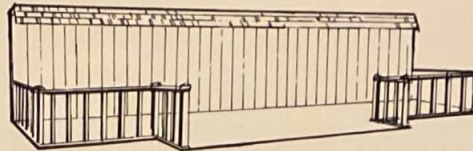

As illustrated, our 30' x 20' "Showroom of the Future" as presented at National Motorcycle Dealer and Trade Shows.

A. CIRCULAR APPAREL DISPLAY: Make it easy for your customers to find just what they are looking for with this new chrome finished circular display. With room for over 100 garments on the 44" diameter chrome top ring, this display puts the maximum amount of merchandise on display in the minimum amount of space. It can be used for anything from motocross jerseys to leather apparel with adjustable heights for pants, suits, etc. Perfect for large and small dealers alike.

ADM-11190-00-14

Yamaha Circular Display

B. LARGE DISPLAY MODULE: Function goes hand in hand with good looks and sales when it comes to our Yamaha Display Modules. The large module measures seven feet high by two feet deep with a big peg board backing that lets you display a variety of genuine Yamaha packaged accessories. There is also room underneath, behind the sliding front door, for additional storage. Sturdily constructed of masonite, this module also comes equipped with space for such additions as creative lighting effects.

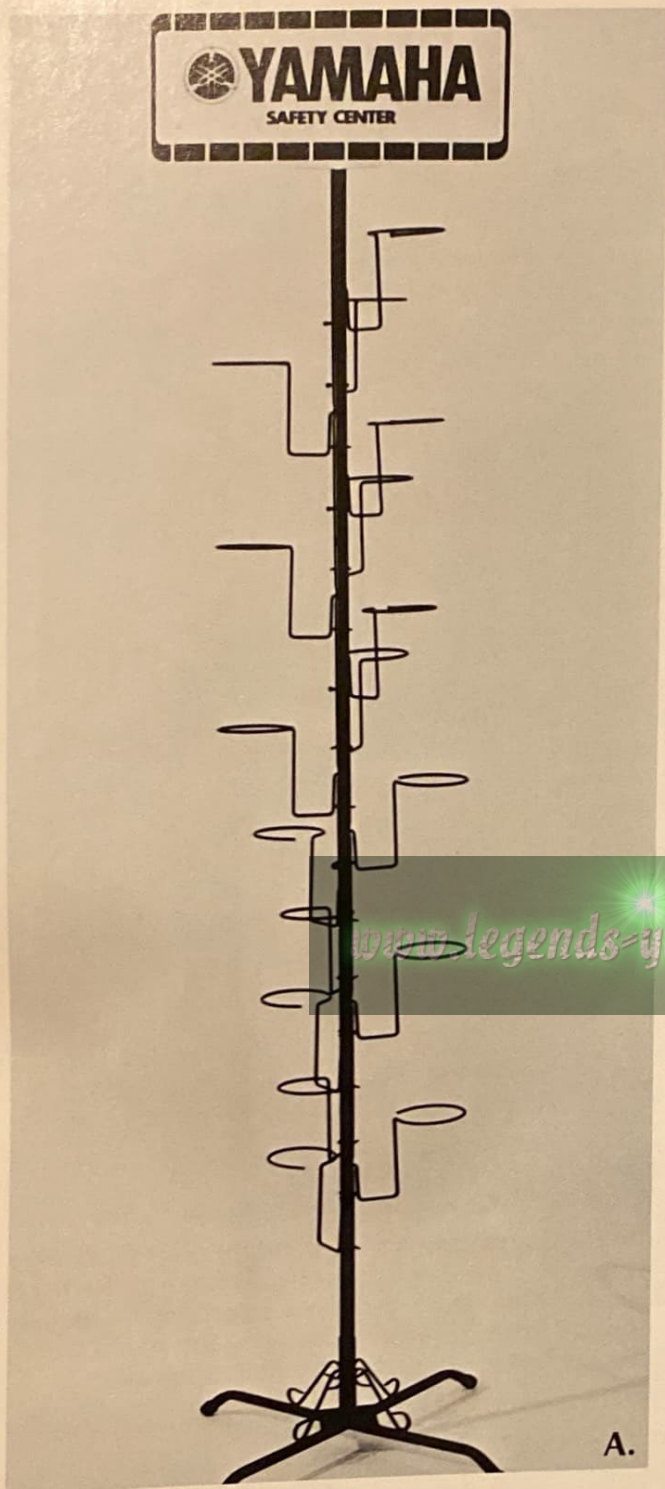

ADM-11190-00-00

Large Display Module

C. SMALL DISPLAY MODULE: Designed and fashioned after its big brother, the Small Display Module is perfect for displaying all Yamaha parts, oil or canned items with an additional 12 cubic feet of storage space underneath. Made of wood construction, the Small Display Module enhances any showroom decor.

ADM-11190-00-03

MIRFY

(Micro Information Resource for Yamaha)

If you have seen our Mirfy system in action, you can see why it has been such a big hit with the hundreds and hundreds of dealers who have already joined the program. With our new Mirfy system, it is possible for your parts counter man to find any part number and an exploded diagram of a particular model in a matter of seconds.

The fiche also contains any technical bulletin updates and a listing of the applicable accessories and specialties. Each model fiche will contain the entire parts list for that model, making it a one step operation for your parts department.

A separate price list fiche easily locates the wanted part

number and its price, making your counter sales more efficient, and therefore more profit oriented. The Bell & Howell Mirfy System is the best way to save valuable time at the parts counter. For more information on the all-new money and time saving Mirfy system, contact Y.P.D.I.

Spacemaster Reader Printer: This single page reader/printer provides clear, low-cost copies of images shown on screen in mere seconds. Perfect for attaching to work orders, etc.

Portable Reader: This briefcase reader works of normal electric current or it can be plugged in to a car lighter. It is perfect for those away-from-counter times when doing crash estimates, etc.

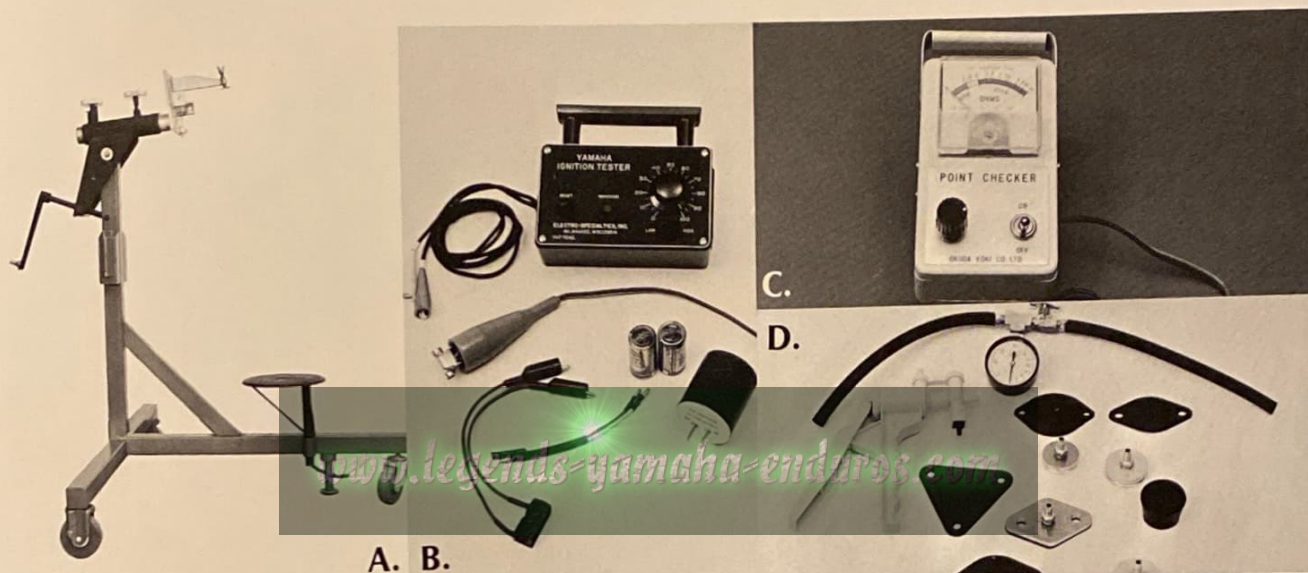

SR-III Reader: Ideal for parts sales counter use, with large 19" screen for full size viewing of the double page image. The dual carriage lets both parts fiche and price fiche be viewed at the same time.

SPECIAL TOOLS

Working on motorcycles, whether it be your service staff of the "do-it-yourself" customers, is much easier when the right tool for the job is available. Here are just a few of our specially designed factory tools offered by Yamaha for your needs. You can be sure that there is a tool for just about any situation... check our Yamaha Special Tools Manual for additional details.

A. ENGINE STAND: Your service department will be turned in any direction and working at eye level really appreciate this new engine stand that allows a mechanic to work on any Yamaha engine in comfort. The firmly secured engine unit can be turned in any direction and working at eye level makes the job faster and easier. Comes complete with five engine mounting adaptors to suit the entire range of Yamaha engines.

Part No.	Description
908-90910-27-00	Engine Stand

B. CDI IGNITION TESTER: This tester has been designed to quickly isolate defective CDI ignition components. It can indicate weak parts of the ignition that may be leading to hard starting or poor engine performance. It comes complete with a detailed manual that contains step-by-step procedures for all Yamaha models equipped with CDI ignition.

Part No.	Description
908-90910-22-00	CDI Tester

C. POINT CHECKER: This low range ohmmeter is perfect for indicating exactly when the points are open or close. A must for accurate ignition timing on models using a contact breaker type ignition.

Part No.	Description
908-90910-26-00	Point Checker

D. CRANKCASE PRESSURE TESTER: The only way to isolate and remedy air leaks from the crankcase. This tester comes complete with all adaptors so that it can be used on all two-stroke models.

Part No.	Description
908-90910-25-00	Crankcase Pressure Tester

Y.P.D.I.'s Quantity Discount has been a great success and below are some of the latest items that can be purchased under this exciting new program. As you can see, the products are those fast turn-over, high-volume items that are constantly in demand so it is not only convenient to take part in the program but more economical. Discounts range up to 20% on some items so make sure you have one of the special ordering books on hand. In order to take advantage of the Quantity Discount, you must use the special forms in the book so order one now and save.

A. B.

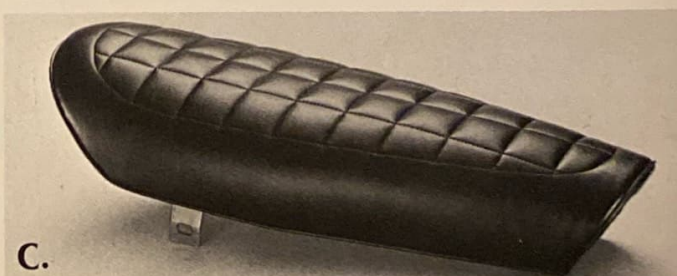

A. TY 250 FOOT PEG CONVERSION KIT: The perfect accessory item for your TY250 customers who want to change their pure trials mount into something a little more suited to all types of riding. This foot peg conversion kit relocates the pegs closer to the normal riding position, enabling the rider greater sit-down riding comfort for longer periods of time. Combined with the new larger trials seat (see this page), the TY 250 trials machine from Yamaha becomes a super all-around bike. The kit includes all mounting hardware, brackets, bolts, pedal, shaft and nuts. Assembly is simple and this factory engineered and approved kit matches the rest of the machine in quality and finish.

Part No.	Description	Suggested Retail Price
ACC-01100-26-00	TY250 Foot Peg Conversion	\$22.50

B. TY 175 FOOT PEG CONVERSION: Our latest Yamaha trials foot peg conversion kit allows your TY 175 customers to modify their machines in the same way as per the TY 250 kit. This quality kit lets the rider spend more time in the saddle and less time in the traditional trials stand-up position. Perfect for the casual off-road rider who wants the extra agility of the trials mount without getting into strictly organized trials events. The kit includes everything necessary to make it a simple bolt-on conversion. No machining or welding is necessary.

Part No.	Description	Suggested Retail Price
ACC-01100-30-00	TY 175 Foot Peg Conversion	\$22.95

C. TY250 DUAL PURPOSE SEAT: This all-new seat assembly transforms the TY250 trials bike into a more comfortable trail bike. While the stock seat is perfect for trials riding, many of your customers may want to trail ride their great handling machine and this new seat will make it a pleasure. Manufactured in the U.S.A. to strict Yamaha specifications, our seat comes with all the mounting hardware needed.

A. YAMAHA CYCLE CAMPER by Moss: Extended independent travel on a motorcycle is now possible, thanks to the new Yamaha Cycle Camper. Designed for both Yamaha street and off-road models but easily adaptable to most other brands, our Cycle Camper offers the rider a complete camping package. The entire camping system fits inside a shroud of tough vinyl stretched over a sturdy steel frame. The entire package is designed to insure that bike handling is not affected in any way while two-up riding is still comfortably possible. The Cycle Camper consists of a two-part inner and outer heavy duty tent, sleeping bag, $\frac{3}{4}$ -length foam mattress, mini-stove and cooking kit. The tent ensemble is constructed of heavy duty nylon taffeta, urethane coated and water resistant. Both tent sections pack easily into an 18" by 6" storage bag and together weigh less than five pounds. The sleeping bag is a modified mummy type, with European hood, and is filled with 2 pounds of polarguard that will keep riders comfortably warm in temperatures down to 20 degrees F. The closed cell foam mattress is covered with nylon for added comfort and life. The butane cooking stove weighs just over 7 ounces and measures $4\frac{1}{2}$ " by $1\frac{1}{2}$ " in size. Although small, it puts out a surprising 5,000 BTU's of cooking heat from the 9 ounce L.P. gas replaceable throw-away bottle. The spun aluminum cooking kit is made up of a 7" frying pan, 6" covered boiling pot, 7" plate and a polypropylene drinking cup. Also included is a one quart plastic water bottle with attached stopper and screw cap. A night light with wiring harness for the cycle battery is also standard equipment on street model units. The chrome carrying rack is a rugged lightweight steel frame that simply bolts onto the Yamaha chassis with no modifications required. The weatherproof vinyl cover features light reflecting 3-M safety stripes combined with heavy duty brass zippers and extra grommets for a security lock. For solo riding on the RD and TX road models, the rack telescopes so that the entire package can be brought forward towards the tank and used as a comfortable backrest. For two-up riding, it extends back over the rear fender for additional seat space. As an extra convenience, the whole unit can be easily removed from the bike

by releasing a spring-clip locking mechanism. With all of the gear packed neatly inside the Cycle Camper, there is still plenty of room for your additional take-along items such as extra sleeping bag, clothes, and personal belongings, etc.

It comes complete with detailed installation instructions, bracketry, and hardware needed. Manufactured in the U.S.A. under full Yamaha testing and approval. Components are also available separately.

COMPONENTS

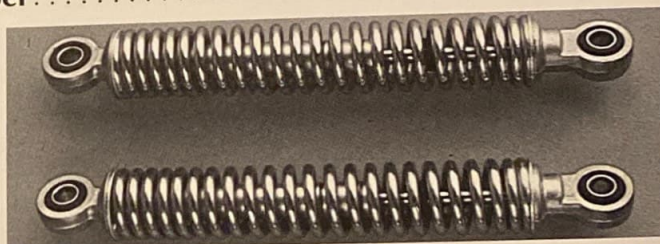

Part No.	Description
A. ACC-11110-67-01	Quick-Detach Pack/Sliding Rack, TX500
A. ACC-11110-68-01	Quick-Detach Pack/Sliding Rack, RD350
A. ACC-11110-69-01	Quick-Detach Pack/Sliding Rack, DT250-360-400
B. ACC-11110-69-04	Cook Kit, 7-Piece
C. ACC-11110-69-05	One Quart Water Bottle
D. ACC-11110-69-01	Sleeping Bag, Stuff Bag and Mattress
E. ACC-11110-69-02	Tent, Inner and Outer Fly Complete
F. ACC-11110-69-03	Stove and Butane Fuel Bottle

A. YZ80 GYT (GENUINE YAMAHA TUNED) KIT: Designed, tested and manufactured by Yamaha specifically for our YZ80 series bikes, this latest GYT Kit is the easiest, most complete conversion available anywhere. Performance is increased all through the power band. All the components are GENUINE Yamaha factory parts, thus assuring the rider the high quality that Yamaha is famous for. The kit comes complete with cylinder head that has a modified combustion chamber, racing piston and ring, a cylinder with race-proven port timing, 24 mm Mikuni carburetor, tuned exhaust system and Skyway silencer. Also included is an AG plated big-end rod bearing for high revs, a heavy duty throttle cable and all the necessary gaskets, seals, bolts and clamps to make the conversion complete. Simple detailed instructions are also contained in the kit.

Part No.	Description	Suggested Retail Price
ACC-01100-28-00	YZ80 GYT Kit	\$199.95
ACC-01100-29-00	YZ GYT Kit Cylinder Only	\$79.95
492-14610-70-00	Expansion Chamber	\$51.00

B. YAMAHA MINI ENDURO HEAVY-DUTY SHOCKS: Hug the ground with greater traction. Get better maneuverability over bumps, pot holes, wash outs, etc. Heavy-duty Yamaha Mini Enduro Shocks give you more stability, better balance and greater safety over all kinds of terrain. Specially designed for Yamaha JT1 and YL1 models.

Part No.	Description	Retail Price
130-22210-00-00	JT1 Heavy-duty Rear Shock Absorber	\$17.54 each

C. YAMAHA JT1 MINI ENDURO SPEEDOMETER KIT: Our speedometer kit, easily installed, contains all the necessary cables, gears, nuts and bolts, gaskets, bushings and complete installation instructions. Convert your original Yamaha Mini Enduro to a mileage counter with this exclusive Yamaha accessory.

Part No.	Description	Suggested Retail Price
ACC-01100-07-00	JT1 Speedometer Kit	\$19.00

D. YAMAHA AT/CT AIR CLEANER ASSEMBLY: Our semi-polished aluminum air cleaner assembly comes equipped with a Filtron air cleaner element. Shipped completely assembled and installs in minutes using the existing nuts and bolts.

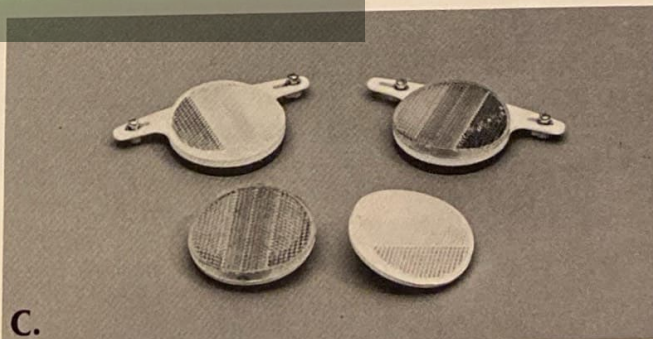

Part No.	Description	Suggested Retail Price
ACC-11000-24-00	AT/CT Air Cleaner with Filtron Filter	\$14.41

MOTOBIKE ACCESSORIES: The fantastically popular Yamaha Motobike hasn't been left out of our accessory line as the items listed here clearly show. The trend setting Banana Seat is as comfortable as it is racey looking while the Motocross style handlebars are a must for that certain competition look. The reflectors kit and heavy-duty 1/2" thread steel peddle kit round out the package. Of course, Goodyear Motobike tires are fitted, as well as Genuine Yamaha inner tubes and rim bands. (See tire section.)

Part No.	Description	Suggested Retail Price
A. MBK-00000-07-00	Banana Seat	\$11.90
B. MBK-00000-01-00	Motocross Handlebars	\$16.90
C. MBK-00000-09-00	New Reflector Kit	\$3.00
D. MBK-00000-08-00	Steel Peddle Kit, 1/2" thread	\$6.00

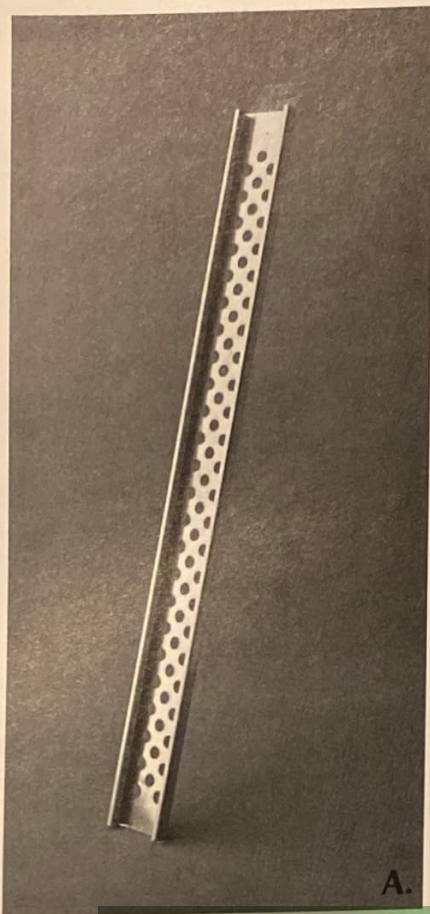

A. PISTON ASSEMBLY KITS: Our new Yamaha Piston Kits are designed to help you increase parts sales and save valuable time as well. Included in each kit are: One piston, ring set, pin and two clips. Everything needed to replace that worn or damaged piston assembly is included. One part number — one price. Available in standard and oversize as listed below.

A. LOADING RAMP: The easiest and safest way to get bikes in and out of those vans or Yamahaulers is with Yamaha's super Loading Ramp. Our ramp measures 6 feet long by 8 inches wide and is manufactured from space-age aluminum for ultra lightweight yet heavy-duty strength. Safe and convenient to store with a tested load-stress of 500 lbs., it is a must for competition riders as well as most motorcycle enthusiasts. **NOTE:** For shipping purposes our Yamaha Loading Ramp is sold in a Quantity Pack of 4 ramps to the case. Order a quantity of one (1) and you will receive four (4) ramps.

Part No.	Description	Suggested Retail Price
ACC-11110-40-00	Loading Ramp (4 ramp/case)	\$19.95 ea.

B. RETRACTABLE TIE-DOWN HOOKS: Proper securing of motorcycles, snowmobiles, etc., while being carried, is of prime importance to your customer. The Yamaha Retractable Tie-Down Hooks mount almost anywhere and, when not in use, the spring loaded hook becomes flush with the surface. They are perfect for all vans, pick-ups, as well as genuine Yamahaulers. The double nickel chrome finish is also corrosion resistant. A set of two hooks comes attractively packaged in our bright colored Yamaha graphic card.

Part No.	Description	Suggested Retail Price
ACC-11110-38-00	Retractable Tie-Down Hooks (set of 2)	\$4.25

C. TIE-DOWN STRAPS: Many of your customers probably spend a large portion of their time in a van or toting a trailer with their off-road bikes in the back. Now you can offer them something that they really need with our high-quality genuine Yamaha Tie-Down Straps. These 2" wide double-stitched extended length belts are constructed of polypropylene webbing with a 3,000 pound tensile strength and the two 3/8" steel hooks are strong enough to handle most anything. The top hook is nylon coated to protect frame tubes, etc. while the large release handle assures a quick release, even when wet. Our straps are finished in the genuine Yamaha black and white graphic, and come packaged in pairs.

A. ONE-WAY COMPRESSION RELEASE: Many of your customers consider themselves serious off-road riders so they will really appreciate our latest one-way Yamaha Compression Release. Being a combination compression and starting release, it makes both riding and starting a pleasure. Our kit includes all the necessary cables, plastic ball-end lever along with complete detailed instructions for easy installation. Engineered to install in minutes, it will fit most all machines using 14mm threads, with an adaptor for a half-inch reach.

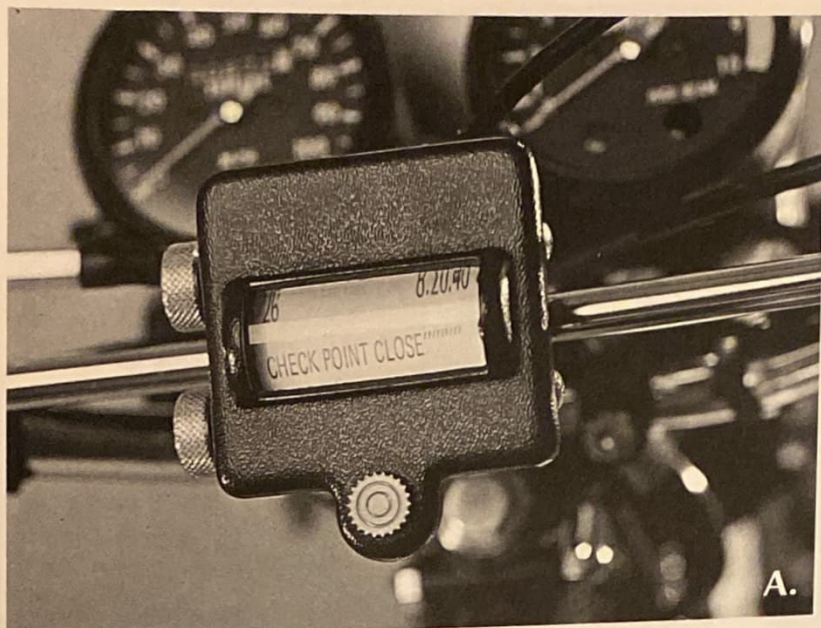

Part No.	Description	Suggested Retail Price
ACC-11100-16-00	One-Way Compression Release	\$14.95

B. DT125/175 BUDDY SEAT: Two-up riding is now a comfortable situation with the new enduro buddy seat for the 125cc and 175cc Yamaha models. Designed to mount easily with the standard sub-carrier, the new seat features all of the qualities expected in a Yamaha engineer-approved product. The heavy vinyl cover material matches the stock seat pattern and is constructed from a high-density foam over a heavy plywood base. Included with each accessory buddy seat is all the necessary mounting brackets and detailed instructions.

A. ENDURO ROUTE CHART HOLDER: With more and more riders participating in organized enduros, it makes good sense to offer your customers the Enduro Route Chart Holder, one of the best chart holders on the market. With its super lightweight and extra-strong A.B.S. plastic construction, the Yamaha Enduro Route Chart Holder is not only convenient and easy to use, but virtually indestructible as well. Extra features include weatherproofing, one-inch wide magnifying mirror for easy chart reading and a simple handlebar mounting. Paper chart loads like a camera and is easy to change from event to event with knurled rotation knobs that adjust in either direction.

Part No.	Description	Suggested Retail Price
ACC-11130-00-11	Enduro Route Chart Holder	\$21.95

B. ENDURO TOOL POUCH: Tools are always a problem to carry in an enduro event, but now with the Yamaha Enduro Tool Pouch, all the vital tools, extra plugs, etc., can be carried with ease. Made from 100% Latigo saddle leather, our pouch has been designed and tested for durability and precise fit for all Yamaha enduro and MX bikes. With almost 300 cubic inches of storage space, the bottom portion has been especially molded to fasten right behind the bike seat. The special sure-lock clasp insures that the pouch stays closed under the most adverse riding conditions. Available in black only.

A. YAMAHA CARRY-ALL BAG: Our brand new all-purpose carry-all bag is sure to be a hit with not only Yamaha riders but most travelers in general. This colorful yellow and black bag abounds with features. It is constructed of heavy-duty nylon, weather-proofed with "K-Kote," and has three cubic feet of storage capacity. Our six internal pockets are a Yamaha exclusive, just perfect for those small items that are constantly getting lost in conventional bags. For durability there are two heavy-duty black carrying straps while the zipper is made of long lasting nylon. When not being used, the bag folds up for easy storage.

B. CHAIN REPAIR TOOL: The Yamaha Chain Repair Tool is small enough to fit into almost any rider's tool kit but sturdy enough for the toughest situation. Chains do break, and no matter where you are, a rider must be prepared. The Yamaha Chain Repair Tool is designed to fit all popular sized chains and its top quality construction is unparalleled. Features include a fully case hardened body and drive pin with an Allen head wrench for easy use. Each tool is individually packaged in distinctive Yamaha yellow packaging for quick turn-over sales. All tools come packaged ten (10) to a case.

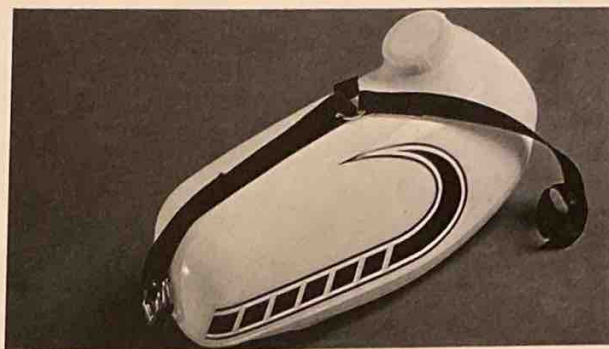

Part No.	Description	Suggested Retail Price
ACC-11110-46-11	Chain Repair Tool (10 pack)	\$3.95 ea.

C. SURVIVAL KIT: Even the most experienced riders can get caught in an emergency situation where it pays to be prepared. One of the best safety accessories is the Yamaha Survival Kit. It is small and light enough to be carried anywhere on a bike or sled and can be a real life saver in an emergency, when you are miles down that country road or out in the desert. Each kit includes the following: flashlight, signal mirror, canned sterno, metal match, knife, cable saw, bouillion cubes, space food sticks, aluminum cup, NRC emergency blanket, coffee, sugar, salt, aspirin, nylon cord, tape, fish hook and line. Just about everything is there to cover the most hazardous situation. The zippered, vinyl case is weather-proof and each kit comes with a complete set of instructions.

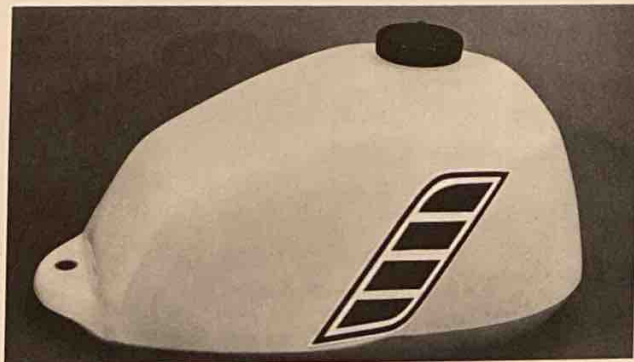

Description	Suggested Retail Price
ACC-11230-01-00	\$17.95

A. PLASTIC TANK: Our exclusive Yamaha Plastic Tank has been designed especially for the 250cc and 360cc Enduro and MX machines. Capacity is a very useful 1.7 gallons and the tank comes complete with nylon hold-down straps and decal package for that distinctive Yamaha look. Special features include the impregnated yellow color, large non-leak filler cap and molded-in adaptor to accept the standard Yamaha petcock. Manufactured in the U.S.A. to the strictest Yamaha specifications.

Part No.	Description	Suggested Retail Price
ACC-11110-53-00	Plastic Tank (includes decal)	\$44.95

B. YAMAHA DESERT GAS TANK: This brand new four gallon capacity gas tank has been designed and tested with the desert rider in mind, although it can also be appreciated by any rider who wants to go on those long trips without the worry of a gas shortage. Made to bolt directly to our 250 and 400 Monoshock models with an alternate front mount for custom fit. All tanks come complete with a vented cap and graphic decal set.

DT250A/B, DT360A/B, DT2MX, RT2MX, MX250/360, SC500, MX250A, 360A, SC500A

Part No.	Description	Suggested Retail Price
ACC-11110-84-00	Four Gallon Tank	\$49.95
ACC-11110-84-02	Decal Kit	\$1.95

C. YAMAHA PLASTIC GAS TANK CAPS: Our replacement cap will certainly be appreciated by any rider who has been sidelined due to a lost or cracked filler cap. Sell them for spares as well as replacements.

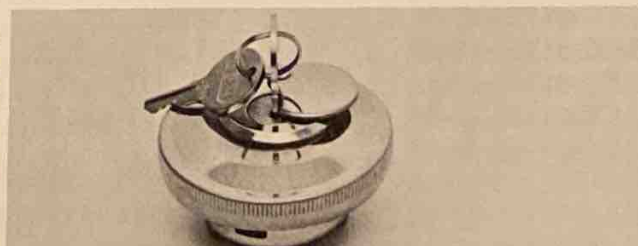

Part No.	Description	Retail Price
ACC-11110-53-01	Plastic Gas Tank Cap	\$1.50

D. YAMAHA DESERT GAS TANK CAP: Now you can offer your customers a replacement filler cap for our new four gallon tank or better yet, sell him a spare.

Part No.	Description	Suggested Retail Price
ACC-11110-84-01	Filler Cap, Four Gallon Tank	\$1.50

E. YAMAHA LOCKING GAS CAPS: Motorcycle gas caps are usually one of the easiest items to misplace, lose or have stolen. Now we can offer you a Yamaha locking replacement gas cap for the earlier models that were not OEM locking type. Each highly chromed cap comes with two matching keys.

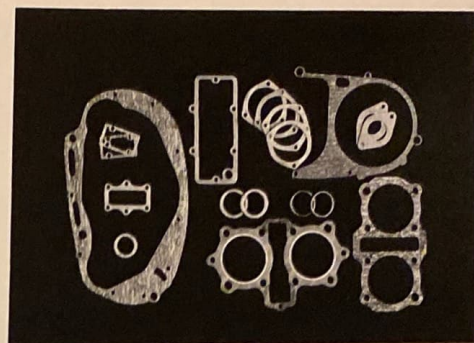

Part No.	Description	Suggested Retail Price
127-24650-00-00	RD60B, RD200A, GT1, GT80, RD60, RD60A	\$6.52

A. BATTERIES: Yamaha Batteries are manufactured by the leaders of the Japanese motorcycle battery industry; Yuasa, Furukawa and G.S. When it comes to replacing your tired battery, make sure that you have the best there is. These "dry-charged" units are designed to fit Yamaha as well as many other popular machines and are enclosed in a heavy-duty plastic casing to insure long life and dependable service.

1975 YAMAHA PAINT APPLICATION CHART

All of the following Yamaha colors are achieved by using two or three paints in combination. This chart lists each combination and the proper sequence of application.

OFFICIAL COLOR	First Coat	Second Coat	Final Coat
SUNSHINE RED	SUNSHINE RED PNT-75000-00-X5		CLEAR PNT-65000-04-00
GENEVA GREEN	WHITE PEARL B/C PNT-65000-01-46	GENEVA GREEN METALLIC PNT-00000-00-K6	CLEAR PNT-65000-04-00
BRANDY RED METALLIC	BRANDY RED METALLIC PNT-75000-00-A9		CLEAR PNT-65000-04-00
HIGH SPARKLE BLUE	HIGH SPARKLE BLUE PNT-75000-00-W3		CLEAR PNT-65000-04-00
CLEAN WHITE	WHITE PEARL B/C PNT-65000-01-46		CLEAR PNT-65000-04-00
PORTUGUESE ORANGE	PORTUGUESE ORANGE PNT-75000-00-N7		CLEAR PNT-65000-04-00
SPANISH BURGUNDY METALLIC	SPANISH BURGUNDY METALLIC PNT-75000-00-E4		CLEAR PNT-65000-04-00
STAR BLACK	STAR BLACK PNT-75000-00-R7	SILVER FLAKE T/C PNT-75000-01-R7	CLEAR PNT-65000-04-00
COMPETITION YELLOW	WHITE PEARL B/C PNT-65000-01-46	COMPETITION YELLOW PEARL B/C PNT-65000-02-04	CLEAR PNT-65000-04-00
EL TORO ORANGE	EL TORO ORANGE PNT-75000-00-N6		CLEAR PNT-65000-04-00
CHAPPY RED	CHAPPY RED PNT-75000-00-E1		CLEAR PNT-65000-04-00
BALBOA BLUE	BALBOA BLUE PNT-75000-00-G6		CLEAR PNT-65000-04-00

Follow the directions on the back panel of each Yamaha paint can for proper "between coat" procedures.

Always use Yamaha Clear (PNT-65000-04-00) as a final coat to achieve full gloss, depth and maximum color fastness.

Yamaha Gray Primer (PNT-00000-00-86) should be used as a "base coat" if bare metal is exposed.

A. INSTANT SPARE TIRE: It's a Yamaha spare tire attachment. Instant Spare Tire seals and inflates your tire in one swift operation. Instant Spare Tire is available in cases of 12. Order a quantity of one (1) and you will receive a case of twelve (12) cans.

Part No.	Description	Suggested Retail Price
ACC-11001-15-00	Instant Spare Tire (12/6-oz. cans)	\$2.95 ea. can

B. TIRE MOUNTING LUBRICANT: Make your tire changing a snap with Yamaha Tire Mounting Lubricant. Just spray it onto the tire bead and your tire will seem to almost mount itself. It also keeps rubber soft while preventing tire deterioration. Available in cases of twelve aerosol cans. Order a quantity of one (1) and you will receive a case of twelve (12) cans.

Part No.	Description	Suggested Retail Price
ACC-11001-16-00	Tire Mounting Lubricant (12/13-oz. cans)	\$2.95 ea. can

C. SPARK PLUG AND ELECTRIC CONTACT CLEANER: When used regularly on your spark plugs and contact breaker points, our Yamaha cleaner will prevent the normal carbon build-up and dirty points problems. Yamaha Spark Plug And Electric Contact Cleaner does the job and then evaporates leaving no oily residue behind. Perfect for your Service Department as well as a fast-moving counter-top sales item. Available in cases of 12 aerosol cans. Order a quantity of one (1) and you will receive a case of twelve (12) cans.

Part No.	Description	Suggested Retail Price
ACC-11001-14-00	Spark Plug And Electric Contact Cleaner (12/7-oz. cans)	\$1.95 ea. can

A. YAMAHA TIRE SEALER: Flat tires can be a thing of the past when you use Yamaha Tire Sealer. Manufactured to meet Yamaha's stringent requirements, our sealer lets you ride without the worry of being stranded with tire problems. Just add it to

your tires and, after a short distance, it spreads throughout the inside of the tube, insuring a strong protective coating against punctures. 24 eight-ounce bottles to the case.

Part No.	Description	Suggested Retail Price
ACC-11100-24-00	Yamaha Tire Sealer (24-8 oz. bottles)	\$1.95 ea.

B. POWER CABLE INJECTOR: This popular Yamaha accessory is fast, efficient, and foolproof. Yamaha has introduced the only modern efficient way to lube all your cables. In one quick motion, our Power Cable Injector cleans and lubricates your throttle, clutch, brake, or other miscellaneous cables by powering the lubricant along the inner

and outer cable assembly. The Yamaha Power Injector comes in easily identifiable Yamaha graphic packaging, complete with operating instructions. NOTE: Yamaha Power Cable Injectors are sold in a quantity of ten (10) pack only. Order a quantity of one card and you will receive ten (10) carded injectors to the carton.

Part No.	Description	Suggested Retail Price
ACC-11110-43-11	Power Cable Injector (10 per carton)	\$4.50 ea.

C. CHAIN AND CABLE LUBRICANT: Yamaha Chain And Cable Lubricant is one of the finest lubes available for all motorcycle chains, cables, etc. Its super penetrating action keeps working, even under extreme pressure, while preventing dust, grit and water from affecting the efficiency of the parts themselves. Helping to prevent rust and corrosion is only one of the many benefits of

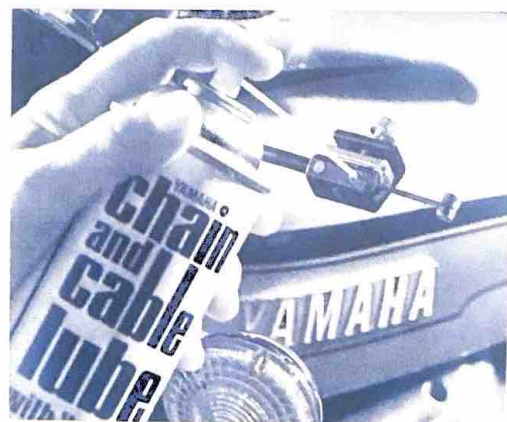

this Yamaha quality product. Every 16-ounce aerosol can comes equipped with a handy plastic spray applicator that allows spraying into all those otherwise inaccessible areas. Yamaha Chain And Cable Lubricant is packaged 12 cans to the case. Order a quantity of one (1) and you will receive a case of twelve (12) cans.

Part No.	Description	Suggested Retail Price
ACC-11001-13-00	Chain And Cable Lube (12 cans/case)	\$2.95 ea.

A.

C.

A. SILASTIC SEALANT: A product of Dow Corning, this is the proverbial sealer for a thousand and one uses on a motorcycle. Use it as a sealer, gasket maker, trim cement, etc. Stays pliable and is unaffected by heat, gas, oil, or water. Packed one tube to a box.

Part No.	Description	Suggested Retail Price
ACC-11001-05-00	Silastic Adhesive Sealant (3 oz. tube)	\$2.95

B. YAMABOND #4 SEALANT: This is an exclusive product developed especially for joining crankcase sections covers. It is highly recommended by the factory engineering staff at Yamaha.

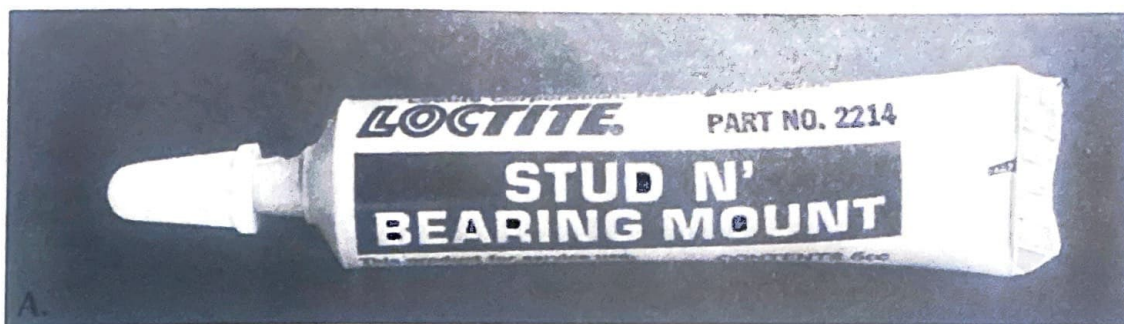

Part No.	Description	Suggested Retail Price
ACC-11001-30-00	Yamabond #4	\$2.95

C. YAMABOND #5 SEALANT: Yamabond #5 is similar to Yamabond #4 but it can be used without gaskets. It seals and bonds, preventing foreign matter from entering crankcase and side covers.

Part No.	Description	Suggested Retail Price
ACC-11001-31-00	Yamabond #5	\$2.95

HERME-SEAL: Herme-Seal is a special sealant for our four-stroke range to protect engine surfaces from heat. For use between cylinder and cylinder head, cylinder and crankcase, tappet cover and cylinder head, contact breaker cover and cylinder head, cam chain tensioner and cylinder and the tensioner cover cap and tensioner lock plug. Applicable to all four-stroke engines.

Part No.	Description	Suggested Retail Price
90890-05075-00	Herme-Seal	\$5.95

A. STUD 'N BEARING MOUNT: This Loctite® product is one of the best means available to secure engine bearings and bushings to their shafts. Once applied, there is virtually no movement as all parts remain in place. Packaged one tube per card; ten cards to the case.

Part No.	Description	Suggested Retail Price
ACC-11001-06-00	Stud 'N Bearing Mount	\$1.95 ea.

B. LOCK 'N SEAL: Another of the many products etc., making them impervious to violation. Induced by Loctite®, and featured by Yamaha, Lock 'N Seal does exactly what its name implies — locks and seals all threaded screws, nuts, bolts, the case.

Part No.	Description	Suggested Retail Price
ACC-11001-07-00	Lock 'N Seal	\$1.95 ea.

C. LOCTITE® SERVICE AND REPAIR KIT: The perfect kit for all your "do-it-yourself" customers, it contains all of the most commonly used Loctite products, conveniently packaged in our sturdy plastic pouch. Contents include: Klean 'N Prime, Stud 'N Bearing Mount, Lock 'N Seal, and Fits All. Perfect for shop use too. Packed five kits to a case.

Part No.	Description	Suggested Retail Price
ACC-11001-08-00	Loctite® Service and Repair Kit	\$7.50 ea. kit

B.

C.

A. GASEGACINCH: One of the oldest and popular it will not harden and is unaffected by gas, oil, motorcycle gasket sealers on the market as well as heat, and most other solvents. Available in eight of sealants. Easily applied with the built-in swab,

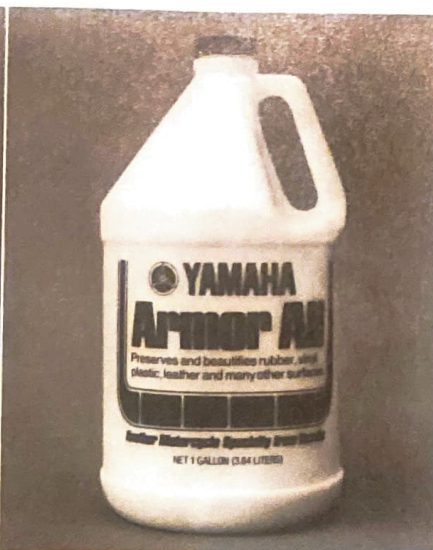

Part No.	Description	Suggested Retail Price
ACC-11000-17-03	Gasegacinch (8 oz. can)	\$2.95

B. SIMICHRROME POLISH: An amazing motorcycle to remove superficial scratches from such plastic cleaner and polish that will restore the hidden items as face shields, goggles, windshields, etc. A luster to chrome, aluminum, copper, brass, and little goes a long way. Available in individual six most other non-ferrous metals. It may also be used ounce tubes, or in 24 tube cartons.

Part No.	Description	Suggested Retail Price
ACC-11000-19-01	Simichrome (6 oz. tube)	\$1.50
ACC-11000-19-02	Simichrome (24 tube carton)	

C. BLUEAWAY: This is by far the fastest and easiest condition thus saving the expensive process of way to remove that bluish discoloration from over- re-chroming. Blueaway is non-toxic and available heated chrome exhaust pipes. The creamy liquid in quantities of 6 bottles or a case of 30. formula restores old looking pipes to like-new

Part No.	Description	Suggested Retail Price
ACC-11000-18-01	Blueaway (minimum order of 6 bottles)	\$1.95 ea.
ACC-11000-18-02	Blueaway (carton of 30 bottles)	\$1.95 ea.

A. ARMOR ALL: Yamaha Armor All is truly an all-purpose product as it will preserve and protect just about everything on a motorcycle, from the rubber components to the upholstery. It is perfect for face shields and it will also add a lustre to chrome and painted surfaces. In fact, this near

legendary cleaner can be used on just about every part of a motorcycle. Available in handy towelettes, 8-ounce bottles and shop size 1-gallon and 5-gallon bottles. In addition, there is an empty 1-pint spray bottle for bulk refilling.

Part No.	Description	Suggested Retail Price
ACC-11001-18-00	Armor All Towelette (100 per box)	
ACC-11001-19-00	Armor All 8 oz. spray bottle (24/case)	\$2.95
ACC-11001-22-00	Armor All 8 oz. empty spray bottle	\$1.95
ACC-11001-20-00	Armor All, 1 gallon bottle	
ACC-11001-21-00	Armor All, 5 gallon bottle	

B. YAMAHA PLASTIC CLEANER: The perfect way for you to clean almost everything made of plastic, including wind and face shields, goggles, lenses, etc. It also removes those tiny annoying nicks and scratches while turning used items into near-new condition. Available in 8 ounce bottles.

Part No.	Description	Suggested Retail Price
ACC-11000-16-00	Yamaha Plastic Polish (8 oz. bottle)	\$1.95 ea.

C. YAMAHA PLASTIC POLISH: Yamaha Plastic Polish is ideal for polishing your plastic items to a gem-like finish in minutes. A Yamaha product to be stocked and sold only by you, our Yamaha dealer. Available in 8 ounce bottles.

Part No.	Description	Suggested Retail Price
ACC-11000-15-00	Yamaha Plastic Polish (8 oz. bottle)	\$1.95 ea.

A. YAMALUBE 4-CYCLE OIL: No matter what kind of machine you ride, Yamaha offers the perfect lubricant. Yamalube 4-Cycle Oil has been designed to withstand the toughest running conditions and exceeds all Yamaha warranty standards. Being fortified with various detergent additives, it is suitable for any and all four-stroke engine applications. Remember too, Yamaha is your exclusive product manufacturer dealer. All Yamalube (2- or 4-cycle) oil may also be ordered by the pallet (forty cases, as well as the standard case of 24 one-quart cans. Freight prepaid.)

Part No.	Description	Suggested Retail Price
ACC-11000-39-00	Yamalube 4-Cycle Oil (24 cans/case)	\$1.25 qt. ea.
ACC-11000-39-40	Yamalube 4-Cycle Oil Pallet (40 cases, freight prepaid)	
ACC-11000-40-00	Mixed Pallet (20 cases, 2-stroke, freight prepaid) Mixed Pallet (20 cases, 4-stroke, freight prepaid)	
ACC-11000-40-10	Mixed Pallet (30 cases, 2-stroke) Mixed Pallet (10 cases, 4-stroke freight prepaid)	

B. YAMALUBE 2-CYCLE OIL: Designated to give longer engine life and peak performance to any machine using an oil injection or pre-mix system. Easier starting, long plug life and lasting dependability are just some of the bonus features built in to our top quality Yamalube 2-Cycle Oil. Also available by the pallet. **NOTE:** All pallet orders, both 2-stroke and 4-stroke, will be shipped freight prepaid. There is also a split pallet available with twenty cases of each for your convenience in ordering.

Part No.	Description	Suggested Retail Price
ACC-11000-27-00	Yamalube 2-stroke Oil (24 cans/case)	\$1.35 ea. qt.
ACC-11000-28-00	Yamalube 2-stroke Oil Pallet (40 cases)	
ACC-11000-40-00	Mixed Pallet (20 cases, 4-stroke) (20 cases, 2-stroke)	

C. ALL NEW YAMALUBE 'R' TWO-CYCLE RACING OIL: Our brand new racing oil has been especially designed and developed to meet the most demanding riding requirements of competition motocross, enduro and road racing. Yamalube 'R' offers superior lubricating qualities under all high-speed conditions and virtually eliminates any oil-related spark plug problems. Can be used in all two-stroke engines, either in pre-mix situations or with an oil injection system. Easy to read measuring guide on the side of our one pint plastic container makes oil fills a snap. Available by the case of 24 one pint bottles with screw top.

Part No.	Description	Suggested Retail Price
ACC-11000-41-00	Yamalube 'R,' (24 pints/case)	\$1.95 ea. pt.

D. YAMAHA MUD AND GREASE RELEASE: The ideal motorcycle cleaner and degreaser. Yamaha Mud and Grease Release will not adversely affect painted surfaces, wiring or rubber but does penetrate surface irregularities to remove that deep down dirt and grime. It is totally water soluble having been tested and approved by our Yamaha International Racing Team. Sold in quantities of twelve (12)-ounce cans to the case.

Part No.	Description	Suggested Retail Price
ACC-11001-32-00	Yamaha Mud and Grease Release (12 ounce cans/case)	\$1.75 each

A. GENUINE YAMAHA FORK AND SHOCK OIL:
Available in handy 16 ounce (1 pint) cans, Yamaha Fork and Shock Oil comes in various weights to suit the machine or rider. Designed and refined for Yamaha suspension units it can withstand most all operating conditions or climate. Manufactured in the USA, our Yamaha fork and shock oils not only eliminate seal cracking and swelling but also help prevent rusting, oxidation and wear. Yamaha oils afford uniform performance over long periods by minimizing viscosity changes and naturally can be used on almost all brands of front forks and shocks.

Part No.	Description	Suggested Retail Price
ACC-11001-28-75	Yamaha Fork and Shock Oil — 7.5 Wt.	\$1.50

A. YAMAHA SUPER SILENCER BY SKYWAY: One of the major answers to noise pollution has been developed by Skyway Industries and sold through Yamaha Parts Distributors. The new Super Silencer, after extensive testing and development, will lower sound decibel readings on just about any competition machine. It's designed to the American Motorcycle Association's ruling of 88 decibel maximum per bike. The Super Silencer can be mounted to most Yamaha motorcycles as well as many other machines quite easily. It also incorporates a U.S. Forestry Approved Spark Arrestor. Many of the newer model Yamahas come with one fitted as standard equipment. An added bonus is that performance is virtually unaffected, with no power loss, assuming minor carburetor adjustments are done. The silencer is easily cleaned and maintained as one snap ring holds the internal diaphragm and fiberglass packing in place. Replacement parts are available. Each Super Silencer is individually boxed with a mounting bracket as standard equipment. An epoxy black satin finish blends right in with the look of your machine.

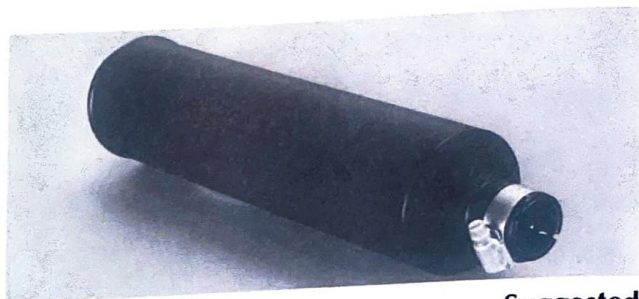

Part No.	Description	Suggested Retail Price
ACC-00000-02-50	Super Silencer & Spark Arrestor w/Diaphragm 250cc Yamaha only	\$37.95
ACC-00000-03-60	Super Silencer & Spark Arrestor w/Diaphragm 360cc Yamaha only	\$37.95

ACC-00001-04-00	Super Silencer & Spark Arrestor w/Diaphragm MX 400B	\$33.50

B. SILENCER/SPARK ARRESTOR: Utilizing all of the proven components of the Yamaha Super Silencer, but without the extra sound deadening neoprene end-fitting and baffle, the Yamaha Silencer/Spark Arrestor is available for almost all of the popular bikes on the market. The one-piece Silencer/Spark Arrestor unit keeps noise to a minimum while being fully approved by the U.S. Forestry Service. When ordering, use exhaust pipe diameter to insure proper fit.

YAMAHA

ASSURANCE OF QUALITY

Since 1887 Yamaha has sold only quality products. In motorcycle accessories and specialties, our policy will be to do everything possible to assure dealer satisfaction.

If within 90 days from the date of Yamaha Parts distributors, Inc. invoice, you notify Yamaha Parts Distributors, Inc. of any defects due to faulty workmanship or materials Yamaha Parts Distributors, Inc. will gladly replace such items and assume all necessary transportation charges.

Most accessories and specialties are identified by the "ACC" or "BOT" preceding the part number and/or pictured in the accessories and specialties catalog.

REPLACEMENT PROCEDURE:

1. The standard Yamaha Parts Distributors Discrepancy Report form is to be prepared.
2. Re-box or package the defective item(s) (in case of "kits" return only those items defective). Place inside copies 1 and 3 of the Discrepancy Report — dealer keeps the blue one. Please return the items immediately upon receipt from customer or discovery on receipt of order. This could help us avoid future production problems. Please keep the material clean when packaging or holding for return. We will appreciate it.
3. Ship to Yamaha Parts Distributors, Inc., 6610 Orangethorpe Avenue, Buena Park, California 90620 — **FREIGHT COLLECT**. Attention: Accessory Dept.

IMPORTANT: Our complete line is covered by our replacement policy, however, we must rely on you to use and not abuse the program. It is a valuable sales tool for you.

If fabric items (sweaters, gloves, headwear, footwear and bags, etc.) have been changed, or altered in any way or mechanical items changed, used or installed in an improper way, you should not accept a customer's claim of faulty workmanship or defective materials. It is best to handle the case right then and not send to Yamaha Parts Distributors, Inc., for rejection of the claim. Be fair to yourself and Yamaha Parts Distributors, Inc., and protect the valuable Assurance of Quality Program.

In case of shipping damage or shortages, use the present discrepancy procedure.

APPROVALS NECESSARY:

Yamaha Parts Distributors Incorporated in Buena Park, California reserves the exclusive right to approve all claims. District Managers or Accessory Specialist may recommend approval of claims under the program but final authorization lies with Yamaha Parts Distributors Incorporated management. Dealers will be notified immediately of any change in policy or procedure.

MODIFICATIONS:

The manufacture and distribution of quality products is assured by Yamaha Parts Distributors Incorporated. We reserve the right to modify Yamaha accessories and/or prices shown in this catalog and all subsequent publications without prior notification.

AGREEMENT

From time to time, Yamaha Parts Distributors, Incorporated, obtains for distribution certain new accessories, specialties and sales aids. It is the desire of YPDI to give all dealers an opportunity to receive such new items as soon as they become available. However, in order to make this type of program possible, it is necessary that those dealers choosing to participate authorize YPDI to send such items and charge their account accordingly. Your incentive, Mr. Dealer, is that YPDI will send all of these quality items freight prepaid. We will put a \$25 limit on any of the new products under the terms of this program. If you desire any of the new accessories that have a dealer price of over \$25, a special authorization will insure that you receive it promptly.

TO: Yamaha Parts Distributors, Inc.,
6610 Orangethorpe Avenue, Buena Park, CA.

I wish to participate in the Y.P.D.I. program concerning new accessories, specialties and sales aids that may be available from time to time. This is to authorize Y.P.D.I. to ship to my dealership one production sample of any new accessory, specialty or sales aid without further requests or orders from me. I understand that the items will be sent prepaid and I will be charged the normal dealer price, billed to my account with my usual payment terms. No item having a normal dealer price of over \$25 is to be shipped without special authorization.
