

A Preview of the
YAMAHA

250

SINGLE ENDURO

***The most exciting
motorcycle for 1968. Designed
for action in desert,
mountain, trail or street.***

The new Yamaha 250 single incorporates functional styling and rugged design, and is engineered for performance plus. This new model, which has been developed as the result of over 3 years of research, development and field testing, offers dealers the opportunity to sell a demonstrably superior product at a price that is, in some cases, hundreds of dollars less than competitors!

Some of the features include:

- Five port power — 5-speed gear box
- Tube frame
- Extremely lightweight
- Superior Yamaha front fork assembly
- Slim profile
- High ground clearance
- Spring loaded foot pegs
- Autolube oil injection
- Quick detachable lights
- Fully equipped for street or trail
- Plus GYT Kit availability
