

# ALL IN THE FAMILY.

You're looking at just a few members of the vast new family of accessories and specialties now at Yamaha motorcycle dealers.

If you own (or soon will own) a Yamaha motorcycle, this means that now you can have precision-engineered, Yamaha crafted accessories that will properly and easily fit any model — and they won't take a week-end to attach (you or your dealer can do it).

Genuine Yamaha accessories keep your ride a pure Yamaha ride (and keep your bike from becoming a hodgepodge of incompatible add-ons).

But regardless of what kind of bike you own you'll want to see the Yamaha collection of specialties and apparel.

Specialties designed to endure the hardest use.

Apparel designed to look right, and feel right — no matter where or how you ride.

Remember, now you can find all your motorcycling needs in one place. See your nearest Yamaha dealer.
