

CLUB NOTES

BALLARAT and DISTRICT
We have at last purchased an area of land on which to run scramble meetings.

Plans are already underway to make this the best track in Western Victoria. It is unlikely that we will hold a meeting until all the work has been completed.

Support from all members will be needed so don't forget the meeting on Tuesday, July 2 at the Ballarat Bowl.

—M. M. SHARP.

BALLARAT ROVERS

Lively meetings are the order now with more members taking part in discussions.

A few softer types have packed the bike away for winter. Surely Ballarat is not that cold.

With a little bit better weather we should be able to

our only rider in recent two-day trial. At Pakenham Jack was unfortunate to have his engine expire during practice. Ernie was also present at Pakenham mounted on a different machine.

Hope club members haven't forgotten the paper drive.

Wagga rally was voted the best yet by those who supported it — splendid weather, good company and plenty of interesting machines. "Fearless" Fred Fisher had lots of trouble but it should go well when the bugs are ironed out, and Wilko's "Sara-lea" locked up the bottom end.

Wandong on this Sunday (30th) — need I say more? For newcomers there will be signs on the Highway for a right-hand turn-off about three miles this side of Kilmore.

Annual General Meeting will be held on Friday, July 5, at 2 Elm St., North Melbourne, and office-bearers will be elected. — J.P.

DANDENONG

Many thanks to all those people who helped in putting on our successful scramble.

Congrats to all clubmen who gained places. Welcome to new members Frank Camp, Mick Atherton, Ian Smith and Andy Bruce who joined last meeting.

Thanks to Al Paterson, Ivan Miller and Hugh Owen for their appearance at last meeting.

Also congrats to Hartley and Linda on their marriage last Saturday and to Zig Clowinski on his recent one too.

Club champs at Pakenham were somewhat wet but it produced some close racing.

Next meeting, July 4 will be elections for office-bearers.

FRANKSTON

Although Brian found camping a frosty business and almost took the "big leap," he reported enjoying himself as

class for registered road machines — this should make the traffic light T.T. boys happy.

—D.W.

OAKLEIGH

Quite a few members supported the centre scramble with Alan Sullivan winning several events. The track was slippery but it added to the excitement.

Nomination night is the next club meeting on the 27.6.68
